Wiscasset Basketball
Our Culture is Hardworking
We Focus on Defense
Our Defense is Aggressive and Intense

Wiscasset Basketball

The Wiscasset Girls Basketball team made major strides this season. By changing our practice culture and the development of winning work habits we have shown significant growth as a team/program. Our program is on the rise and we hope to build on the successes from last winter.

As a program we understand that real success will only come when young girls in our community commit to the game of basketball. With that in mind, we invite you to attend the 2nd annual Lady Wolverine Hoop Clinic. In our program we believe basketball players are made in the summer. Come learn the fundamentals of the game while enjoying the competition and camaraderie that comes with being apart of our program!

2nd Annual Wiscasset Lady Wolverines Basketball Clinic

**“Just play. Have fun. Enjoy the game.”
-Michael Jordan-**

**Summer Basketball Clinic - \$75
July 11-15
9AM - 12PM**
